**On a scale of 1-10 (1=not very
closely, 10=very closely),
how closely are my actions
aligned with my stated purpose?**

**What meaning
do I take from
the data?**

**How does
the data inform
my thinking?**

**What gap (if any) exists between my
intention and others' perception of me?**

What are my options?

**What would I do
if I weren't afraid?**

**What option best
suits me?**

**What is the
consequence of
doing nothing?**

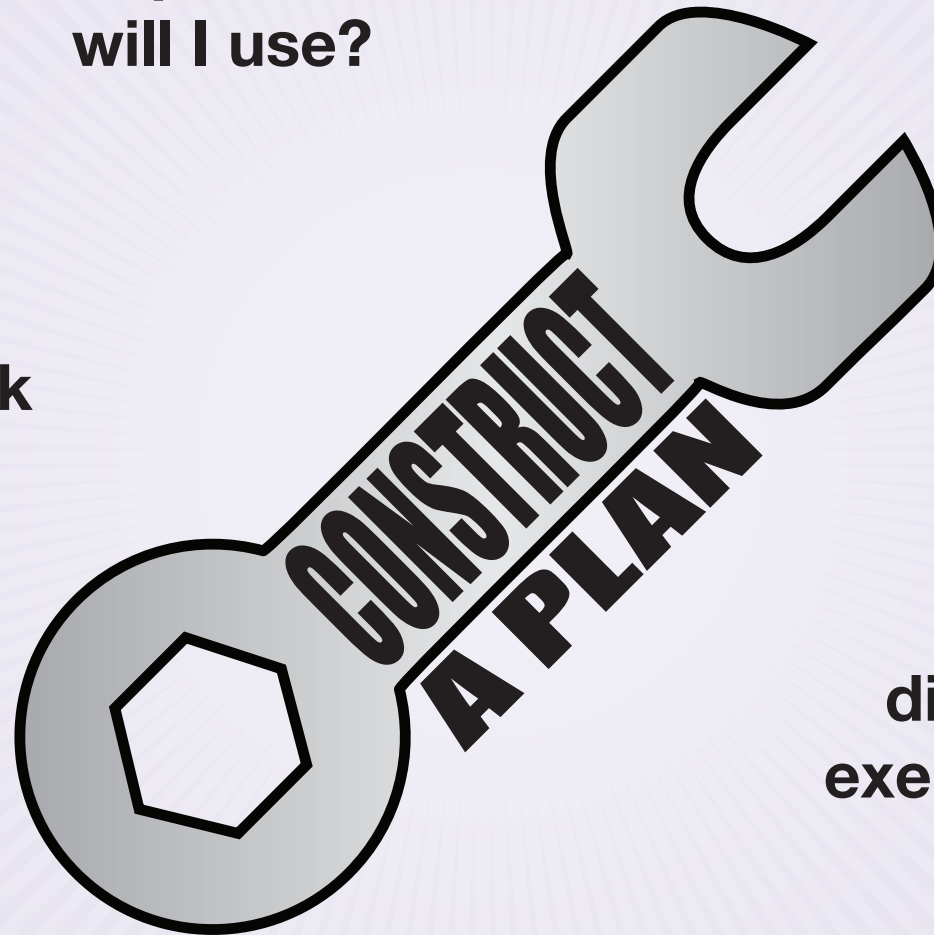

**What are the pros/cons
of each option?
To me? To others?**

**On a scale of 1-10, (1=not very likely, 10=very likely), how likely
is it that this option will contribute to my desired results?**

**What written
action plan format
will I use?**

**What measures
will help me track
my progress?**

**What will be
different when I
execute as agreed?**

**What supports do I need in place
to increase my chances of a successful outcome?**

**On a scale of 1-10,
how important is this to me?**

**How will I stay focused
on my identified actions?**

**What am I going to do differently
to achieve my desired results?**

**What new results
am I experiencing?**

**How will I reward myself
for making progress?**

**What are my strategies
for periodic checks
and staying on track?**

**How are my behaviors
contributing to the results
I said I want to achieve?**
